

SplashMaps™

High Performance Fabric Maps

Price list 2016

SplashMaps are ideal for adventures where the map may get damaged through use, from harsh conditions or simply by folding. Our Pro-fabric maps are **almost indestructible, can be worn or scrunched** and offer both **a practical guide** to your clients and a fabulous branded memento that'll **always remind them who organised their amazing adventure.**

SplashMaps offer a standard range of fabric maps, neck warmers and scarves on 3 types of material. But if you want a map printed onto anything fabric, please get in touch!

Our typical RRP for maps is;

Product	Recommended Retail Price
SplashMap Breathable Pro 72 x 72cm (see different sizes below)	£25
SplashMaps Stretch Neck Warmer (standard 50 x 46cm stretch hoop)	£27 - £35 depending on map style

Notes:

All prices above hold for our Ordnance Survey 1:25k and 1:50k and in-house 1:40k Maps of anywhere in the world. SplashMaps Lite are 6% less expensive, highly elegant and adsorbent.

We are also licensed to provide cartography from:-

Harvey Maps, A to Z, Harper Collins, Wil Tirion (Star Map) and Mike Hall (Illustrated London Maps). A 10% charge is added when these are used.

More bespoke design work is possible and quoted upon request (e.g. exploded sections for urban detail within a country sized map, multiple way points, introduction of bespoke cartographic styles).

We can also reproduce your designs and cartography on our fabric.

Delivery is charged in addition and dependent upon weight and size.
